Experior uses IBM compatible personal computers, similar to what you may have at home or in your business. You do not need any computer experience to use this system. In fact, you will only need to use five keys on the keyboard to take the test. (The other keys are disabled—there is no way you can harm the computer, the program, or the test by touching the wrong key.)

Prior to beginning your examination you can take a practice examination to become familiar with the computer testing system. A staff member will be available to help you if you need further assistance.

You will receive your score at the conclusion of the examination.

### Walk-In Testing

Candidates may "walk in" and test on a space-available basis for an additional \$10.00 fee. No reservation is required. The examination fee plus the walk-in fee must be paid prior to taking the examination.

### Out of State Candidates

If you are out of state, you may arrange with Experior to take the exam at any recognized testing center such as a university or community college.
